The Common Market Law Review has provided a forum for the keenest legal minds in the field for more than 45 years. Because of the international composition of its Editorial Board, and in view of the fact that it is able to attract contributions from all over Europe, and from the United States, the Review is able to present a unique perspective on Community issues.

Common Market Law Review is indexed/abstracted in Current Contents/Social & Behavioural Sciences; Current Legal Sociology; European Access; IBZ; Index to Foreign Legal Periodicals; International Political Science Abstracts; The ISI Alerting Services; Legal Journals Index; PAIS; RAVE; Social Sciences Citation Index; Social Scisearch

The European Union’s Top Legal Journal

Each issue contains articles dealing with matters of current interest; the authoritative treatment given to each topic ensures lasting juridical value. This pre-eminent journal brings you detailed, in-depth examination of the most pressing and far-reaching issues on Community Law such as:

- Common foreign and security policy
- Community Law in National Courts
- Developments in market deregulation
- E-commerce
- Enforcement of EC and EU law
- European consumer protection
- European rules on conflict of law and conflict of jurisdictions
- General principles of EU law
- Regulation of public procurement
- State aid policy and practice
- Telecommunications
- The EU/WTO relationship
- The single European currency

Six times a year, subscribers receive vital information and analysis on trends and developments. The Review’s easy-to-use format includes penetrating articles by outstanding practitioners and academics; annotations of cases from the European Court of Justice, as well as relevant cases from National courts, the WTO, the EFTA Court, and other tribunals addressing Community Law; book reviews; and a comprehensive bibliographical survey of pertinent literature. The Journal attracts authors from all over the world.

Most practitioners in the area of Community law have had the experience of reading an interesting article which later proved valuable and important in some new legal development. Over the years the Common Market Law Review has published and continues to publish many articles which have added to the depth and scope of thinking about Community law, and which concern a wide variety of subjects which are, or are likely to become, of importance for practitioners.’
